INTRODUCTION: The purpose of this item is the approval of the purchase of right of way and easements at 12300 Kingston Pike (Willow Creek Golf Course) for improvements to Virtue Road.

BACKGROUND: The Town is in the process of purchasing right of way and easements for improvements to Virtue Road from 700 feet south of Kingston Pike to 2200 feet south of Broadwood Drive (see attached map). The project will include widening Virtue Road to two 11' travel lanes, with curb & gutter and 8' asphalt greenway. Right of way and/or easements are currently being purchased from 11 separate properties, the largest of which is Tract 1 (Willow Creek Golf Course). This tract spans almost the entire western side of the project and includes five small parcels of right of way (fee simple – 3156 square feet), 0.122 acre of slope easement and 0.156 acre of temporary construction easement. The Town’s total offer of compensation is $74,459, including $12,559 for the actual right of way and easements, and $61,900 for replacement of fencing and trees (“cost to cure”). It should be noted that almost all trees along the western side of Virtue Road will be removed during construction, leaving golfers and passing vehicles exposed to one another. The “cost to cure” amount includes $16,000 for installation of a privacy fence at two tee areas and $45,900 for replacement of trees on the golf course property. The Town will supplement the planting of these trees on the public right of way at appropriate locations as space allows.

PREPARED BY: David Smoak, Town Administrator

SUBJECT: Ordinance 20-01, First Reading, to add Title 5, Municipal Finance and Taxation, of the Farragut Municipal Code, by adding Chapter 1, Hotel/Motel Tax

INTRODUCTION: The purpose of this agenda item is to approve Ordinance 20-01, which would implement a municipal Hotel/Motel Tax for all hotels located within the Town of Farragut.

BACKGROUND: The Town of Farragut began its tourism program in February 2018 with the hiring of a tourism coordinator. The goal of the tourism program is to increase the number of tourists and visitors coming to the Farragut community by spending money at our hotels, restaurants, shops and utilizing our public facilities. In order to run an effective program, it will take a significant investment by the Town to market to visitors and improve amenities that will draw those visitors to Farragut.

The Board of Mayor and Aldermen have had a priority in their strategic plan on developing a funding mechanism for tourism development since 2010. A common funding plan that many cities and counties across Tennessee and the United States utilize is a hotel-motel tax that visitors pay based on the rental rate when they stay the night in a hotel.

The Tennessee General Assembly approved HB1492/SB1503 in April 2018, which amends TCA 67-4-1425 and authorizes the Town of Farragut to levy a privilege tax on the occupancy of any hotel located with the Town of Farragut in an amount not to exceed 4% of the rate charged to the customer by the operator of the hotel. For this authorization to occur, the Board of Mayor and Aldermen are required to adopt an ordinance by two-thirds (2/3) vote of the governing body and the proceeds from this tax must be used for tourism development.

DISCUSSION: Ordinance 20-01 would authorize the Town to implement a hotel tax of up to 3.0% of the room rent rate to visitors on a per night basis. All funding received from the tax must be used for tourism development. If a transient stays at a hotel for more than 30 consecutive days, they would not be required to pay the tax. Hotels would be required to pay the tax by the 20th day of each month for the preceding month or delinquent taxes would be owed. The effective date of the ordinance would be March 1, 2020.

There are two attachments to this report that discuss tourism development and plans for the Town’s tourism program: Attachment A – Ordinance 20-01, Attachment B – BMA Workshop report from December 11, 2019 with revised budget based on BMA feedback at the meeting.

FINANCIAL SECTION: There are currently 9 hotels with 725 rooms located off the I-40 interchange with Campbell Station Road. Revenue estimates of a potential 3.0% hotel tax would be between $339,810-$468,938 per year. The Town will develop a separate Tourism Fund to track both revenues and expenditures. Expenditures include personnel costs, marketing and advertising, event planning, and office operations for a total estimated cost of $276,600. Any remaining funds available would be placed in tourism fund balance to be used for future capital or operational expenditures.

STRATEGIC PLAN: The Town of Farragut strategic plan lists as a Critical Success Factor to Enhance the Town’s Financial Position with a priority initiative of establishing a dedicated funding mechanism for tourism,
marketing and capital infrastructure investment. Approval of Ordinance 20-01 would be consistent with the Town’s strategic plan.

**RECOMMENDATION BY:** The Town of Farragut Tourism/Visitor Advisory Committee on September 10, 2019 recommended the Town implement a 3% hotel tax for tourism development. Town Administrator David Smoak also recommends approval.

**PROPOSED MOTION:** To approve Ordinance 20-01 on first reading, to add Title 5, Municipal Finance and Taxation, of the Farragut Municipal Code, by adding Chapter 1, Hotel/Motel Tax

NOW, THEREFORE, BE IT ORDAINED by the Board of Mayor and Aldermen of the Town of Farragut, Tennessee, that the Farragut Municipal Code is hereby amended as follows:

SECTION 1.

The Farragut Municipal Code, Title 5, Municipal Finance and Taxation, is amended by adding Chapter 1, Hotel/Motel Tax as follows:

CHAPTER. - HOTEL/MOTEL TAX

5-101. Short title.
5-102. Definitions.
5-103. Levy of tax authorized.
5-104. Disposition of tax.
5-105. Collection and refund.
5-106. Remittance of tax.
5-108. No advertising of rebates.
5-109. Delinquent taxes—Interest and penalty.
5-110. Records—Inspection.
5-111. Administration and enforcement.
5-112. Deposits of funds.
5-113. Severability clause.
5-101. Short title.
This chapter shall be known and cited as the Town of Farragut Hotel/Motel Tax Ordinance.

5-102. Definitions.
As used in this chapter, unless the context otherwise requires:

1. Consideration means the consideration charged, whether or not received, for the occupancy in a hotel valued in money whether to be received in money, goods, labor or otherwise, including all receipts, cash, credits, property and services of any kind or nature without any deduction therefrom whatsoever; provided, however, nothing in this definition shall be construed to imply that consideration is charged when the space provided to the person is complimentary from the operator and no consideration is charged to or received from any person.

2. Hotel means any structure, or any portion of any structure, which is occupied or intended or designed for occupancy by transients for dwelling, lodging or sleeping purposes, and includes any hotel, inn, tourist camp, tourist court, tourist cabin, motel or any place in which rooms, lodgings, or accommodations are furnished to transients for a consideration.

3. Occupancy means the use or possession, or the right to use or possession, of any room, lodgings, or accommodations in any hotel.

4. Operator means the person operating the hotel whether as owner, lessee, or otherwise.

5. Person means any individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation, estate, trust, receiver, trustee, syndicate, or any other group or combination acting as a unit.

6. Transient means any person who exercises occupancy or is entitled to occupancy for any rooms, lodgings or accommodations in a hotel for a period of less than thirty (30) continuous days.

5-103. Levy of tax authorized.
As authorized by Tenn. Code Ann. 67-4-1401, et seq., the board of mayor and aldermen of the Town of Farragut does hereby levy upon the occupancy in any hotel of each transient a privilege tax of 3.0% of the consideration charged by the operator. Such tax is a privilege tax upon the transient occupying such room and is to be collected as provided in this chapter.

5-104. Disposition of tax.
The proceeds received by the Town of Farragut shall be used for tourism development.

5-105. Collection and refund.

1. Such tax shall be added by each and every operator to each invoice prepared by the operator for the
occupancy of the hotel and given directly or transmitted to the transient. Such tax shall be collected by such operator from the transient and remitted to the town.

(2) When a person has maintained occupancy for 30 continuous days, that person shall receive from the operator a refund or credit for the tax previously collected from or charged to him, and the operator shall receive credit for the amount of such tax if previously paid or reported to the Town of Farragut.

5-106. Remittance of tax.

The tax hereby levied shall be remitted by all operators who lease, rent or charge for any rooms, lodgings, spaces or accommodations in hotels within the town to the Town Recorder, such tax to be remitted to such officer not later than the 20th day of each month for the preceding month. The operator is hereby required to collect the tax from the transient at the time of the presentation of the invoice for such occupancy whether prior to occupancy or after occupancy as may be the custom of the operator, and if credit is granted by the operator to the transient, then the obligation to the town entitled to such tax shall be that of the operator.

The Town Recorder shall be responsible for the collection of such tax. A monthly tax return under oath shall be filed with the Town Recorder by the operator with such number of copies thereof as the Town Recorder may reasonably require for the collection of such tax. The report of the operator shall include such facts and information as may be deemed reasonable for the verification of the tax due. The form of such report shall be developed by the Town Recorder and approved by the Board of Mayor and Aldermen prior to use. The Town Recorder may audit each operator in the town at least once per year and report on the audits made to the Board of Mayor and Aldermen. The Board of Mayor and Aldermen is hereby authorized to adopt ordinances to provide reasonable rules and regulations for the implementation of the provisions of this chapter.

5-108. No advertising of rebates.

No operator of a hotel shall advertise or state in any manner whether directly or indirectly that the tax or any part thereof will be assumed or absorbed by the operator or that it will not be added to the rent, or that if added, any part will be refunded.

5-109. Delinquent taxes—Interest and penalty.

Taxes collected by an operator which are not remitted to the Town Recorder on or before the due dates are delinquent. An operator shall be liable for interest on such delinquent taxes from the due date at the rate of twelve percent (12%) per annum, and in addition, for a penalty of one percent (1%) for each
month or fraction thereof such taxes are delinquent. Such interest and penalty shall become a part of the tax herein required to be remitted. Each occurrence of willful or knowing refusal of an operator to collect or remit the tax, or willful or knowing refusal of a transient to pay the tax imposed is a Class A misdemeanor, punishable by a civil penalty not to exceed $50.00 per day per offense. The penalty is to be imposed separately for each offense. Each occurrence shall constitute a separate offense. Each occurrence means each day for which there is a failure to collect or remit in the case of an operator, or a failure to pay in the case of a transient.

5-110. Records—Inspection.

It is the duty of every operator liable for the collection and payment to the town of any tax imposed by this chapter to keep and preserve for a period of three years all records as may be necessary to determine the amount of such tax as he may have been liable for the collection of the payment to the town, which records the Town Recorder shall have the right to inspect at all reasonable times.

5-111. Administration and enforcement.

The Town Recorder in administering and enforcing the provisions of this chapter shall have as additional powers, those powers and duties with respect to collecting taxes as provided in Tennessee Code Annotated, title 67, or otherwise provided by law for the county clerks.

(1) Upon any claim of illegal assessment and collection, the taxpayer has the remedies provided in Tennessee Code Annotated, Title 67, Chapter 1, Part 9, it being the intent of this chapter that the provision of law which apply to the recovery of state taxes illegally assessed and collected shall also apply to the tax levied under the authority of this chapter. The Town Recorder shall also possess those powers and duties as provided in Tennessee Code Annotated, section 67-1-707, for the county clerks with respect to the adjustment and refunds of such tax.

(2) With respect to the adjustment and settlement with taxpayers all errors of taxes collected by him under authority of this chapter shall be refunded by the town. The town recorder shall have the authority to direct the refunding of same. Notice of any tax paid under protest shall be given to the town recorder and any suit brought for recovery of tax paid under protest shall name the town recorder.

5-112. Deposit of funds.

The Town Recorder is hereby charged with the duty of collection of the tax herein authorized and shall place the proceeds of such tax in an account to be used for the purposes as designated by Section 5-104 of this chapter.

5-113. Severability clause.

The provisions of this chapter are hereby declared to be severable. If any of its sections, provisions, exceptions, or parts be held unconstitutional or void, the remainder of the chapter shall continue to be in full force and effect, it being the legislative intent now hereby declared, that this chapter would have been adopted even if such unconstitutional or void matter had not been included herein.
SECTION 2.

This ordinance shall take effect March 1, 2020, the public welfare requiring it.

Opened for committee discussion to create the memorandum for the Hotel/Motel tax
  • Michael moved TVAC to approve
    • Angela – second

Committee Discussion
  • Alderman Pinchok’s comments:
    • Kim Bumpas visited and discussed points on this tax
      o Visit Knoxville has a $4.2 million budget and most comes from the tax
        • The hotels saw an 11-13% increase after this money was added to the tourism budget
    • Attended the November 2017 Charlotte Convention
      o Mike Butts from Visit Charlotte presented
        • They contracted Longwood International to conduct a study and this study showed that for every $1 there was a $115 return on investment from the tax
    • Money to be made in using this as a funding outlet
    • Continually studied, researched and discussed at these conferences that it is necessary to have to go after visitors
      o Not just new visitors, but family and friends already coming to visit: targeting current visitors as well
    • This is part of the reason that Outlet Drive was designated as an entertainment corridor
    • He wants to see it go before the Board again for approval; Something they have been looking at for awhile
  • Julia Blaylock’s comments:
    • As part of the Chamber, she supports anything that will bring more traffic into the area and help the businesses
    • Difference in percentage didn’t matter when she chooses where to stay in her travels
  • Akshay Hira’s comments:
    • In favor for the tax, as long as there is a plan, which there seems to be
    • Especially looking forward to it bringing in more tourism to the area
  • Angela’s comments:
    • Can’t hurt to bring the tax because it is working to increase tourism to the area
  • Wendy Robinson’s comments:
    • Part of why they are on the committee is to bring in more tourism, and this tax would help with that
  • Jeanie’s comments:
    • In favor for it, especially from the perspective of helping to bring in entertainment for when her family and friends come to visit
  • Lincoln Murr’s comments:
    • In favor of the tax; agrees with prior comments made

Floor Comments
  • Vice-Mayor Louise Povlin comments:
    • Agreed with Ron, this is something the Board has been at for awhile
    • Believes more education is needed after she attended Governor’s Conference last week
      o A workshop would be beneficial
      o Tax percentage does matter, especially with group rates
        • Concerned with Top Golf and not knowing what that will bring in tourism wise
    • Wants the hotels to be able to compete with group rates in the area
      o Hopes the committee is thoughtful in their decision when selecting a percentage
  • Alderman Pinchok questions for her:
What happens when there is more money needed and the likelihood of it being able to increase?

Vice-Mayor Povlin: vote for what she thinks is needed as the current board; just like they have taken on projects, like McFee Park, from prior boards, they will pass this tax onto the next board to adjust as they see fit

- She wants ensure a specific targeted goal with this tax
  - Demonstrate integrity with the hotels
  - Target unique stores and experiences because that is what residents and tourist want

Steve Krempasky, Shop Farragut
- Has witnessed throughout his career how the tax helps tourism industry
- Something to consider is organizations already doing this work and how they fit in, like Dogwood Arts, Shop Farragut, the Chamber
- Backs up Vice-Mayor Povlin about caution with the percentage
- Seeing how it works when Top Golf comes in

Roll-call vote called by Karen in favor of Hotel/Motel tax
- All voted yes

Sue Stuhl wanted Karen to go over information in the packets in light of the discussion prior to the percentage being discussed

Discussion prior to tax percentage motion
- Michael stated that Design Sensory had recommended a 4% tax
  - This is based on the need for the tourism program to grow
  - He did share the concern of not taking corporate businesses away and still competing with close areas, like Cedar Bluff

Angela
- Traveled a lot when her kids played sports and never paid attention to the hotel tax; focused on the amenities of the area and safety, not how much more the taxes were

Akshay
- Asked where the visitors center discussed by Karen would be going
  - Sue answered: It is undecided; the Campbell Station Inn has been discussed
  - Alderman Pinchok added: discussed refurbishing the Inn for the Farragut Museum to move there and build additional buildings on the property that could be used as a visitors center

Michael motioned to recommend a 3% Hotel/Motel Tax to the Board of Mayor and Alderman
- Angela – second

Discussion opened after motion for the tax percentage

Akshay’s comments:
- Good budget, but would like more data behind it
- More comfortable with a 1.5-2% tax
- Knowledge of what else draws visitors to the area and a more detailed plan

Julia’s comments:
- Agrees with tax
- Thinks Karen has done a great job with a very small budget and short period of time
- More you have the more you can do
- Would like to see more data involving group rates like Children’s Defense Fund
  - Akshay did comment that CDF is tax free
  - Julia wanted more data and case studies on groups
- Would like to stay competitive with Knoxville and would prefer a 2% tax

Jeanie’s comments:
- Felt that going for 3% right out of the gate would be too strong; more comfortable with 2%
- Felt 2% would be more reasonable
- Does want to ensure entertainment comes in and diverse entertainment like a music venue
Wendy's comments:
- Agrees with the percentage; more comfortable with this to ensure future funding
- Feels that access funds will help when it is time for wayfinding and visitor's center
- Thinks the visitors center, especially to make it interactive, will have a large technology cost

Angie's comments:
- Agrees with 3%
- Doesn’t feel anyone would notice the tax because it is something people are just used to having to pay when booking hotel rooms

Alderman Pinchok's comments:
- Board needs 4/5 majority vote for it to pass
- Believes it is better to go higher and reduce it later than vice versa

Floor discussion on the percentage motion:
- Steve, Shop Farragut, comments:
  - Need to think about up front cost that will eat up budget quickly, like wayfinding
  - Time sensitive issues that will be expensive in the initial tourism budget
  - Need the pool of money to help with growing expenses

Vice-Mayor Povlin’s comments:
- Wants committee to understand this is a marketing fund; not revenue
  - You set marketing funds based on budget
- Wayfinding will come much later on; there will have to be case studies done before it is even started
- Nothing planned for Campbell Station Inn for the next five years
- Doesn’t want the tax rate based on surround; wants it based on budget
- Thinks 2% is a great place to start.
  - Michael added that he did base the 3% on Design Sensory’s recommendation and budget

Mayor Ron Williams’s comments:
- Wants tourism to support itself
  - Set budget based on its operating expense
  - The point of having reserves to do the upcoming large expenses is important so the tourism doesn’t have to keep coming around to the Town for large projects
- Visitors center makes sense
  - It is important for each town to have one
  - Something he always uses when he is traveling

Vice-Mayor Povlin’s response to Mayor Williams comments
- Agree with Mayor that reserves are good
- Wants it to be a targeted focus with a specific purpose and budget

Michael made the motion for 3% to vote on it
- Roll call vote for the 3% tax
  - Yes: Michael Bellamy, Wendy Robinson, Angela Sanders and Alderman Ron Pinchok
  - No: Akshay Hira, Jeanine Stow and Julie Blaylock

Undetermined when it will go to the Board
- Karen asked for volunteers to email her if they were available to work one of the football events
  - First event: October 4 or 5
  - Second event: November 1 or 2
- Next meeting (Tuesday, November 19) they will vote on new vice chair
  - Christine stepped down due to time conflict with her job
- Michael moved to adjourn the meeting
  - Angela seconded
MEMORANDUM IN SUPPORT OF HOTEL TAX PROPOSAL
STATEMENT OF FACTS

Tennessee State House Bill 1492 and Tennessee Senate Bill 1503, collectively allowing Farragut to levy a Hotel Tax, was passed by the Tennessee General Assembly in 2018. Governor Haslam signed the Bill into law on April 18th, 2018. If approved by the Farragut Board of Mayor and Alderwoman, the bill would allow a tax to be levied on hotel/motel patrons not to exceed four (4) percent. Mayor Ron Williams, Vice Mayor Louise Povlin, and Alderman Ron Pinchok have all supported approving the tax. Louise Povlin summarized the bill in 2018 by stating,

“One area we have not capitalized on in the past is with regard to the nine hotels in our Town. Hotel visitors produce secondary economic effects on the broader economy. We have started a tourism program and have hired a coordinator to work directly with the hotels. The intention is to gain a better understanding of the reasons visitors stay in Farragut and put into place programs and infrastructure to support attracting visitors to our hotels. Traditionally, a hotel/motel tax is used to fund that effort. The option to adopt a hotel/motel tax in the Town of Farragut is now available to us.”

In recent years, the General Assembly has reduced Farragut’s revenue stream by phasing out the Hall Tax and reducing the tax on food. Town Administrator David Smoak has also suggested a hotel tax as an avenue for closing this gap. The hotel tax has a long history with the Farragut Board of Mayor and Alderwoman. An ordinance to add a three (3) percent hotel/motel tax passed first reading with the Board in a 4 to 1 vote on April 25, 2013. The second reading resulted in tabling of the ordinance until more discussion about how the tax revenue would be used. Jill Thomas, executive director of the Greater Knoxville Hospitality Association at that time, stated the real issue with implementing a hotel tax should not be based on how the revenue is used, but rather, if the tax will result in a net gain for the town or result in a net loss to local restaurants and shops.

The hotel tax was revisited again on April 26, 2018. At first reading, Louise Povlin motioned for the Board to approve Ordinance 2018-04 setting a hotel tax rate of 2.5%, the motion was seconded by Ron Williams and passed with a 4 to 1 margin. The published Agenda for the Board of Mayor and Alderman meeting on May 10, 2018 stated a second reading and vote on 18-04 was set to take place. Ordinance 18-04 ultimately failed passage by the Board.

ISSUES PRESENTED

- **Expenditures increasing with a budget that is decreasing.** In recent years Farragut has experienced decreasing revenue from legislative acts of the General Assembly. In 2019, this revenue reduction has been exacerbated by the acute diversion of budget money to make emergency storm water drain repairs. Given the decreasing budget, can Farragut provide its vision of growth without additional revenue?

- **Reaping the rewards.** The Township provides many amenities that entice patrons to stay at Farragut hotels. In addition, Farragut provides a tourism coordinator, tourism marketing, and a tourism committee dedicated to increasing tourism and the occupancy rate of local hotels. Is it reasonable for hotel owners to argue against a nominal tax that would fund programs and infrastructure to support attracting visitors to Farragut hotels?

DISCUSSION

1. **Expenditures increasing with a budget that is decreasing**

   The Board of Mayor and Alderman is now in a position of making very difficult decisions between growth and budgeting for unknown emergency storm water repairs. Amenities desired by Farragut residents are being placed on hold or downsized due to unknown future budget demands. In addition, the General Assembly recently passed legislation to phase out the Hall Tax which is a large part of Farragut’s budget.

   Farragut recently hired Karen Tindal as a part time tourism coordinator to increase tourism and ultimately revenue to Farragut. This demonstrates the current Board’s leadership by anticipating and finding new revenue sources before considering alternatives such as a property

tax. Mrs. Tindal has already increased tourism in Farragut by focusing on music and song writing venues. All of her accomplishments, however, have occurred with a very small budget and part time hours. Farragut’s current tourism efforts do not include many common marketing strategies due to being cost prohibitive. A hotel tax would allow tourism advertising about Farragut venues that may increase overnight stays in our local hotels. Former Visit Knoxville Vice President and Design Sensory representative Mary Blair strongly supports a Farragut Hotel Tax giving Farragut the ability to invest in tourism. 14

2. Reaping the rewards

Recent data shows a portion of local hotel occupancy comes from corporate customers working or visiting Oak Ridge Laboratory. The amenities offered by Farragut such as Turkey Creek shopping, restaurants and parks are “asset drivers” corporate visitors prefer. 15 This closely correlates with data obtained by Ron Pinchok in 2017 suggesting Farragut hotels actually enjoy a premium daily rate 15% to 18% higher than surrounding hotels due to location. 16 It also demonstrates how strong patron demand accommodates nine hotels in Farragut.

CONCLUSION

The Tourism and Visitor Committee should support a hotel tax proposal to the Board of Mayor and Alderman that would enable funding for Farragut to study and market tourism. It is illogical for hotel owners to argue against a small tax that may increase occupancy rates that more than offset an increase in average daily rates. Especially if Farragut’s hotel tax is kept lower than hotel taxes at Cedar Bluff road and Lenoir City hotels.

Respectfully submitted,

Michael Bellamy, Tourism and Visitor Committee Chair
