This program is designed to allow Farragut residents an opportunity to remember or honor a loved one by having a tree planted in their name at a Farragut park or along a Farragut greenway.

Participation in this program includes the purchase and planting of the tree, a marble plaque set in concrete to mark the tree as well as lifetime, year-round maintenance for the tree.

Every effort will be made to place the tree in the park or along the greenway of your choice. However, certain species may be better suited for some areas more than others. Planting and placement may be discussed with Town staff.

Trees ordered by August 31 of each year will be planted during the optimal planting season during the months of November and December. The Town will notify the donor with a letter when the tree and plaque are in place.

Special order trees may be discussed with Town staff.

For more information about this program, please contact the Town of Farragut Leisure Services Department by one of the ways listed above.

Date _____

Donor _____
