AN ORDINANCE OF THE TOWN OF FARRAGUT, TENNESSEE

SUBJECT: Approval of Bid for Contract 2020-08, McFee Park Phase 3

INTRODUCTION: The purpose of this item is consideration of bids for the McFee Park Phase 3 improvements.

BACKGROUND: This project provides a large expansion of McFee Park, and the project plans and agreement have been assembled to allow the Board four alternates to consider when awarding the contract. The Base Bid includes mass grading and construction of the Great Lawn, restroom facility, a portion of the parking, roadway and basic infrastructure. Alternate 1 includes Base plus construction of two tennis courts and additional parking. Alternate 2 includes Base plus four tennis courts and all parking. Alternate 3 includes Base plus four tennis courts, tennis pavilion, basketball court with the concrete hitting wall and all parking. Alternate 4 includes a revision of the landscaping materials, increasing tree sizes from 2” caliper to 4” caliper.

We received one bid for the project on January 28. Merit Construction bid as follows:

- Base Bid: $6,020,000
- Alternate 1: 699,500
- Alternate 2: 1,365,000
- Alternate 3: 1,899,000
- Alternate 4: 161,000

Staff recommends the Board consider the need to allow a reasonable buffer in the event of change orders. Typically, a 5% to 7% allowance is enough to comfortably cover any additional costs. With that in mind, staff recommends approval of the Base Bid plus Alternate 1 or Alternate 2. As the project scope creates a likelihood of change orders, staff also recommends the Board authorize staff to approve a cumulative amount of change orders up to $50,000 before obtaining Board approval. Staff proposes that any change orders up to $50,000 could be approved by the Town Administrator but would ultimately require Board of Mayor and Aldermen approval. Once additional change orders, if needed, could be approved. Staff also proposes that once change orders are approved by the Board, the authority of the Town Administrator to approve additional change orders would automatically be reinstated to the $50,000 level.

INTRODUCTION: The purpose of this item is the approval of the Town’s offer to acquire slope and construction easements from the Andover Place Homeowners Association’s open space on Smith Road. The easements will allow construction of the Smith Road Sidewalk project, approximately 1800’ of which is on Andover Place Subdivision property.

BACKGROUND: The Town has pursued the construction of a pedestrian connection along the north side of Smith Road from Everett Road to Andover Boulevard for several years. In September 2017, staff and Board members began meeting with the Andover Place Homeowners Association to present concepts for a greenway connection through the subdivision’s 100’-wide open space adjacent to Smith Road as a means of preserving the existing stand of trees mostly located along the existing public right of way. The Town subsequently contracted with Urban Engineering to develop plans that include approximately 800 feet of sidewalk within that open space, while approximately 1000 feet will be constructed as sidewalk with curb and gutter adjacent to Smith Road. This work requires acquisition of greenway, slope and construction easements from two separate parcels of the open space (as shown on the attached drawings), separated by a private residence fronting on Smith Road. Tract 2 (western tract) requires 8,819 square feet of slope easement and 7,622 square feet of construction easement. Tract 4 (eastern tract) requires 16,036 square feet of trail easement, 435 square feet of slope easement and 6,782 square feet of temporary construction easement. The Andover Place Homeowners’ Association has agreed to accept payment of $7,500 for easements on Tract 2 and $22,500 for easements on Tract 4, for a total of $30,000.
