

Adopt A Bench Program

The Adopt A Bench program is designed to allow Farragut residents an opportunity to remember or honor a loved one by having a bench installed in their name along a Farragut greenway or sidewalk, or in a Town park. Participation in this program includes the purchase and installation of the bench, as well as a memorial plaque.

Every effort will be made to place the desired bench along the greenway or in the park at the location of your choice, however, some sites may be better suited for new benches than others. All newly installed benches must meet the current standards of the Americans with Disabilities Act (ADA) for accessibility.

There is an eight-to-12-week window from the time the bench is ordered until the time it is installed. Upon completion of the installation, the Town will notify the donor with an e-mail. The Town will also notify, by letter, those being honored or the family of those remembered if so indicated on the form below. Year-round maintenance will be provided by the Town of Farragut.

For more information about this program, please contact Lauren Cox, Park Manager, at (865) 218-3372. To complete this form and pay online, please visit townoffarragut.org/register
